The Story:

I visited Coco expecting an amazing oral experience but sadly I was underwhelmed.

Coco greeted me and looked fantastic in a see through night gown, was offered a shower but politely declined, paperwork sorted and Coco helped me undress, folding my clothes neatly on a chair. I was instructed to lay on her humongous bed and she started with OWO. I must have caught Coco on a bad day as her technique was rather unenthusiastic with very little depth and minimal shaft/balls play. After some time I suggested to put on a condom and we had sex in missionary and doggy. Still there was very little enthusiasm and energy and Coco was very quiet. I asked to finish with more OWO so I lay back down. I requested to finish with facial but Coco refused (she should remove this service from her profile page). Some more OWO and I was ready to pop, expecting a nice CIM finish but to my surprise Coco withdrew last second and finished me by hand.. Stunned, Coco handed me some wipes and suggested a shower which I took as a HR finish left me obviously messy.. Got dressed after the shower said my goodbyes and left. I'm sorry to say this was one of my least favourite punts and I won't be returning.
