The Premises:

One of the many new apartment blocks in Park Central - good directions given and easy to find.

Not easy to park at this time of day as the entire area seems to for permit holders holders only between 11:00 and 12:00. There was plenty of space available but the presence of a couple of traffic wardens decided me against taking the risk and I parked on a pay and display about half a mile away.

The Lady:

Lovely looking girl with a great ass. No doubt she was the girl in the pictures due to tattoo at the top of her left thigh.

Pictures on website don't do her justice.

The Story:

Once paperwork out of the way Rose gave me very pleasant OWO before sex in several positions and a nice firm Thai massage to end the proceedings.

Doesn't seem to do A levels (a shame because she has a great ass) and seemed reluctant to engage in french kissing.

Nevertheless, I enjoyed my time with Rose and wouldn't hesitate to see her again.
