The Lady:

Arrived on time dressed in a classy pant outfit. Gorgeous woman with a flawless face and fantastic mesmerizing eyes you could get lost in. Sam is a petite lady closer to 5'3" than the 5'6" listed on the website. A natural blonde who has a Scandinavian wholesome look about her.

The Story:

I was previously updated that as Sam is a part time escort who visits visits London for short durations she has certain limits. The agency updated Sam does OWO and DFK based on her comfort level with the client. Having mentioned the same she warmed up to me after a nice introductory conversation - I am also a young fit and would think good looking guy. Post some DFK Sam provided decent OWO after I assured her that I would not CIM. We then moved on to a fun roll in the hay. The lady has a fantastic complexion, lovely slim body and legs - was a lot of fun to toss around her petite frame and go at it which she was perfectly fine with. A clean up and engaged in round 2 - but came rather quickly as she is so tight and hot. Would recommend - though your experience might depend on how you click with her as she is an escort with a bit of an edge :) Also should mention she has two small tattoos - on her lower back and on her torso - but tiny and hardly noticeable.
