### The Premises:

This was a typical basement flat about a 5 minute walk from Earls Court tube. It was very clean inside and the intercom entry at ground floor level was very discreet. I feel sure I have been to this flat before.

### The Lady:

A European girl maybe early thirties with lovely curly brown hair and 34B breasts. Her breasts were not her best feature, I preferred her bum and legs.

### The Story:

I just wanted to lay back and enjoy some covered oral and a slow hand finish. That's precisely what I got and I enjoyed the non rushed service. Camilla had put a French music tape on for the session, but I don't think she was French.
