The Premises:

Very nice basement flat in a quiet neighbourhood. Very clean and well equipped. Lovely bathroom and shower products.

The Lady:

Summer is a delightful petite, natural blond, with a wicked smile, and a great sense of fun. Exactly as she appears in her photos.

The Story:

I have known Summer for a few years and always have a lovely time with her. She is 100% focused on me having a good time, and is a genuinely friendly and amusing person. I have a lot of respect for the totally professional way in which she operates. She treats people as she would wish to be treated.

Summer is a hugely experienced sub, and can turn her hand to just about anything. Equally, she is great as a switch, which works very well for me. She is a rare find in the industry: someone who cares about what she does and about the people she meets. I hope I will be able to continue visiting her for many years to come.
