The Premises:

Basic but tidy ground floor flat in a safe quiet street, just to the south of the town centre. My first visit to nat, I was given directions to the road and agreed a time. I was then guided to the flat by text at agreed time. This is a residential area, so the nessecary disccression is admirable.

The Lady:

white,early 30s,5'5",mid lenght brunette,waifish with nice pert little breasts appropriate to her frame and a gorgeous handfull tight arse.Very friendly and welcoming.Greated me in a tartan schoolgirl / cheerleader outfit.Not a clasically beautiful woman but properly sexy.Clean shaved with a nice prominent clit.Pierced tongue, which is put to very good use.

The Story:

As mentioned, guided in by text and met at the door in a most satisfactory way. Taken to the bedroom with polite conversation on the way. Paid up front as discussed on the phone. Then down to business. We both undressed , the ribbon backed stockings stayed on (her).then a gentle bare skin massage followed with licking and kissing, then moved on to rimming. There was plenty of attention to cock and balls during both. Then rolled over for body to body with plenty of attention again and plenty of french kissing. Then down to it, OWO, with the piercing being used to full effect on my head and deep throat for the shaft. Then a minor hitch,she warned me that she was very tight, this was very true! (not braging, but as mentioned in aprevious FR, I am not the smallest) with the application of the cover by mouth, missh was attempted, this proved too uncomfortable for nat, she did genuinly try and got properly wet in the process. However she asked me to stop as she warned me she might have to.Appologetically she asked me if I would mind coming in her mouth. With her skill set from some min ago this seemed to save me asking!!!A superb combination of the pierced tongue on my head and deep throat followed, with an excelently judged alternation of ball sucking and squeezing mixed in, to bring me to a big climax in nats mouth / throat. Some was swallowed but not all, as to be fair I was ready for emptying. The encouraging talk around the sucking was very sexy.We enjoyed a cuddle with more dfk after nat had gargled from the nightstand. Then the big surprise, an appology and a £20 refund, I was to be given the quickie price as she could not take me, this despite the warning. This is the most genuine punt I have ever had. I will be seeing Nat again soon, I will have to try RO on her to see what happens???

Highly recomended. Treat this lady with the respect that is due!
