The Story:

Kim came into the room and she looked amazing, she was smiling and talkative. she made me feel very welcome which is not something i can say for all escorts. Kim started by giving me a massage and chatting about what sort of things i liked. She was then only too keen to oblige! plenty of kissing and touching before and amazing BJ and a 69. then on with the condom, she was eager and seemed to really be enjoying herself. Before i knew it i was ready to cum. Kim dropped to her knees (in front of the mirror) and began to give some more amazing oral and hand relief ending in me exploding in her mouth and on her face, a great view to finish as she looked up at me grinning away. Had a chat and actually ran over time (not that Kim seemed worried. Lovely girls, great at what she does. Will certainly return asap!
