The Premises:

Decent flat in a block near Holland Park underground station. Everything clean and fresh.

The Lady:

Very petite Thai girl with small natural breasts. Very pretty face, photos are obviously brushed up but are a good reflection of her looks.

The Story:

I was warmly welcomed into the flat by Lilly, and after settling up she offered me a drink and showed me to the shower. Once I was back in her room she got close and personal, kissing and sucking my nipples, which she almost had to stand on tiptoes to reach. As she was showering my body with kisses I helped her out of what few clothes she was wearing, and she got down on her knees to take my cock in her mouth. She gave me a fantastic blowjob, occasionally stroking my cock as she sucked and slurped on my balls, then I sat on the edge of the bed and let her carry this on for a while which she was happy to do.

Eventually I asked her for a condom and we went through cowgirl, missionary and doggy before the sight of her tiny arse got me in the mood for anal. She lubed up her tight entrance and I gently pushed my cock into her and slowly pumped her lovely bum for as long as I could hold out. I was politely declined a facial but she lay on her back and took my cock in her mouth until I erupted. She gave me a brief massage in the time I had left before I showered, dressed and was away.

Lilly is a touch more professional than personal, but she is highly skilled and recommended.
