The Story:

Arrived at location had decided I wanted a two girl experience, girls were busy when I arrived but booked them for 12.30 on my return both girls were available and when asked if up a very interactive threesome both said yes. In the room asked what i wanted (girls to 69 and use toy's), Emily kindly asked should she get her strap on(how could I say no).The girsl then went into a 69 and gave me a little show to perk up my interest. Sophia then performedOWO on me whilst Emily put on her strap on and fucked Sophia doggy style.Whilst doing this I stood up and got Emily to suck my cock whilst she fucked Sophia. Sophia then cam and it was time to switch with Sophia fucking Emily whilst I played with clit to get her to cum.

Both girsl then decided they wanted some cock so Sophia covered me and went on top whilst Emily sat on my face (her pussy is delicious) sftera short ride Sophia decided she preferred to suck me off. So remoing the cover she duly went to work assisted by Emily whilst I fingered both of them. Finally I came in Sophia's mouth, she then sahrd my cum with Emily wh then drizzled it onto het tit's before rubbing it on on Sophia's. Both looked great with my cum over their tit's.

After that a quick clean up and some hugs and kisses from both

A great treat to myself and I will be back as I need to fuck Emily properly.
