The Lady:

All the details on Pixie`s profile are correct, her photos are good but do not do her justice, she will blow your mind. I arrived a few minutes early and was greeted with a warm welcome by her in an off the shoulder top and tight leather trousers. Her figure is stunning, she has a bum to die for.

Pixie has an out going friendly personality which put me at ease straight away. She provided a full service, she is very open, we quickly new what WE both wanted.

She is a natural, she does not need make up, she looks good in what ever she wears. She has a petit figure and is very fit, she has perfect skin and is as warm and friendly as you like. A pure sex pot with come to bed eyes, she certainly knows how to give you a wonderful view when she removes her G-string. No need to go into detail except to tell you that she tastes every bit as good as she looks. A true gfe, she certainly is very expert with her hands and mouth. I am hooked and would love to spend more time with this gifted lady. A decent size bed with a firm mattress, it makes all the difference!

I was never rushed and was offered shower facilities again afterwards.

We cracked open a bottle of wine and spent ages talking, I will be back, Pixie is a kind intelligent women who obviously gets great pleasure with her clients.

Watch out she does amazing things with a box of chocolates.....

The Story:

As above mind blowing 10/10
