Profile Name: Busty Teen Escort 36 FF Natural

The Premises:

House has scaffolding on outside and looks a bit grubby, however the flat itself is very warm, and comfortable.

The Lady:

Irina is brunette, about 5'7" tall with a superb toned figure. In my opinion, she is stunning. She looks better in person than she does in photographs and her hair is now longer than shown, but it is genuinely her.

The Story:

Early Friday morning, I found Irina's details in the search facility on Punternet and sent her a text to ask if she would be free later. She sent the nicest reply, confirming she would indeed be available and it was that, which prompted me to book with her. I felt that she would not just "go through the motions" but would be interested in giving a worthwhile service. And so it proved!

Irina shares the flat with other girls, all of whom I met, one way or the other: when we changed rooms, so that they could continue watching TV, when I went to the shower. When I returned from the shower. We all had a good giggle about these "accidental" meetings.

When we were alone, I regret to say that although she is stunning to look at and despite lots of coaxing from Irina, I just was not able to perform. The harder I tried, the worse it got and in the end, I thanked her for being so nice, but decided to stop at that point.

So, if you are not a washed up old has-been like me, or even if you are, I heartily recommend that you give Irina a try. She seems like a bit of a gem. A really nice girl with a nice attitude.

I plan to go back myself next week, when time allows.
