The Lady:

Description very much as on Prestige's website though I would have put her age several years younger. What is not quite so apparent from the truncated photos is how stikingly attractive she is - she is, imho, drop dead gorgeous and reminded me a bit of Nicole Scherzinger. She was beautifully and immaculately turned out and would have fitted in comfortbly in the classiest of surroundings.

The Story:

Nikki provided a top notch GFE which I am now aware is the standard offering from all Prestige ladies. She was eager to please and our time together included activities which many non Prestige ladies provide only on a discretionary basis if at all.
