### The Premises:

My hotel room.

### The Lady:

Absolutely stunning blonde, photos don't do her any justice at all. Slightly curvy in all the right ways. Great body, amazing boobs, long sexy legs. Very friendly, we were at ease and chatting away within minutes. Shes obviously quite an intelligent and professional woman.

### The Story:

She arrived at my hotel room a little early, which was a pleasant surprise! We had a hello kiss, a chat, got the paperwork out of the way. Its not really my style to go into all the intimate details. But i will say the kissing, the OWO and sex especially were incredible. It really was an amazing and intimate GFE. I have seen quite a few of Sky's girls over the last few years, and Scarlett really is one of the best I've seen. Which is saying something!
