The Premises:

Jenny's apartment is in a large and modern block of flats near the centre of Birmingham. The area feels reasonably safe. Her apartment is clean and tidy and there is a large bed and a good shower.

The Lady:

Jenny is a Czech lady in her late 20s, auburn-haired i.e. a dark redhead (not simply 'brown-haired.'). She has a toned physique and a lovely smile -- all of which makes you think not so much of a girl next door as of the kind of girl you meet while backpacking; a look of healthy sexuality.

The Story:

I arranged the meeting by phone and she texted me with the apartment number when I told her I had arrived. Jenny greeted me (in darkness -- I understand this for security reasons but it can be disconcerting) and when the lights were on revealed that she was wearing a black tunic top and black panties which showed off her lovely long legs. After an initial kiss and the offer of a glass of water (which was accepted) I got undressed and we lay on the bed for a while chatting to put us both at ease. After a little while of this she leaned over and kissed me and then took off her top. We spent some time kissing various parts of each other's bodies. Some oral and manual stimulation was needed to get me underway and then she took her panties off. Jockeying for position led to cowgirl style and eventually she took me in her mouth (again - uncovered oral) and I came in her mouth which she took with considerable composure and a not-too-hurried trip to the bathroom.

Afterwards we lay down and chatted some more. She is an interesting person, is Jenny - we swapped memories of places we'd been to and so on. A very good kisser as well, very considered and slow kisses. Jenny, like her Czech friends who work locally, is often back and forth to her home country and while she is returning home for Christmas and New Year will be back in mid January. I will have to ration myself to wait that long. I've been looking for a 'regular' here and I'd like to think I've now found one.

Would I return? Based on that one meeting: oh very much yes.
