The Premises:

Ego Massage well known massage site (Old Coach House) in Bletchley. It backs on to a free public car park and is quiet. Not overlooked and no issues with passers by. Small place but really classy decor. Ego offers sensual massage, reverse massage and sensual finish.

The Lady:

Sally is a gorgeous chatty friendly english blonde with an outgoing personality and a wicked sense of humour ! Lovely compact body with medium length blonde hair, gorgeous boobs and a peachy bum. She's a good match to her photos but these don't do her justice as they don't show her pretty face and bubbly personality. Just see her previous punternet reports as proof.

The Story:

Greeted by Sally in her usual cheeky sexy way !

I've seen Sally at Ego several times now and she's great at adapting to personal massage preferences. Opted for the B2B massage. Firstly helped Sally to disrobe then lay on my front for my massage. Opted for massage oil. First of all a lovely firm neck massage, then a gentle fingertip massage down my back. Gradually working further down and becoming more teasey and tickley until driving me wild, the blood rushing to my extremities, all the time Sally chatting to me and sharing jokey teasey chat along the way. Then Sally climbed onto the table. Sally loves her neck and back lightly massaged so I obliged, whilst she made appreciative sighs. She also loves her legs and feet very lightly massaged.

I returned to the table for the gentle massage to build up to an explosive finish assisted by Sally's sweet touch and pretty face looking me straight in the eye. Phew !! Prostate massage is available if that's your thing.

Lovely chat as Sally tidied up and dressed whilst I washed in the ensuite shower.

She's a really lovely girl and you always feel a connection to her. A lovely peck and then down the stairs into the winter air feeling very relaxed!
