The Premises:

Three story house (possibly Victorian but I'm no architect) in quiet side road. Safe enough area with plenty of on street parking.

Top floor contains her "fun room" with her collection toys etc.

Very creaky floor!

The Lady:

Pictures on profile are accurate. Attractive blue eyed blond. Says she's 20, 5' 6" and 34C - wouldn't argue with any of these.

Friendly enough girl although, quite quiet - much quieter than I was expecting from her profile.

The Story:

Met by Amber who was wearing a very short skirt, a white shirt heels and heels which would give a normal person vertigo.

I followed her upstairs (thought they would never end) to her third floor "fun room" enjoying the view of her bum along the way.

After getting the paperwork out of the way (and her removing her shoes so she shrank to a more normal height) we indulged in pleasant session of kissing, cuddling, groping and undressing each other before adjourning to the bed for some OWO, more gentle kissing and oral on her with a little help from my fingers to get her nice and wet.

Sex in a couple of positions - I particularly enjoyed her riding me quite energetically until I was ready to release my load. Asked her to wank me to completion and deposited a copious amount of cum on her chest.

All in all, a pleasant half an hour with an attractive young lady. Services pleasantly delivered although I was perhaps expecting a little more based upon her profile. Nevertheless, I would be happy to see her again.
