The Premises:

Discrete entrance in a good area. Room was clean and had an adequate ensuite shower. Maid was friendly and offered OJ/water on arrival.

The Lady:

Pretty face with nice brown eyes and great body. Skin is tanned, but on the light side for a Brazilian. Breasts are enhanced but are perfectly proportioned. When she was lying down on the bed rather than standing on her heels I realised how petite she is! Photos on the site are accurate and age listing of 26 is believable.

The Story:

My first ever punt in UK. Jade was very polite and keen to please. After slowly undressing and kissing she offered OWO but I opted for covered as I feel more comfortable that way. Her technique was good and I had to stop her before my excitement level got too high. We moved on to sex in a variety of positions. Usually it takes me a long while to finish, but because Jade was nice and tight and looked so good beneath me I came with 30 minutes still on the clock. After a quick shower she instigated another round and I pumped her until my body was no longer willing. We finished off by chatting while I stroked her body and sucked her breasts. Jade is a really sweet girl and made me feel at ease throughout. Will definitely be visiting both HOD and Jade again.
