### The Premises:

Familiar to many. Inexpensive, nearby parking though took a few minutes to find as Festival season.

Room was near the top but worth the climb. Neat, sizable, well presented with a modest mirror. (IMHO needs to be floor length and wide .. as in some other rooms at Annabella's)

### The Lady:

Very similar to her website pictures. A voluptuous 21 year old with smooth skin, a pretty young and eager face, a gorgeous body and magnificent but natural boobs. However it was her up for anything (safe) let us try it, it sounds fun smile and nature that I remember most.

### The Story:

As soon as she entered the room I knew my day had improved and I was determined to enter her. She listened attentively with those so tantalising breasts a few feet away from my eyes as I struggled to keep eye contact as you are supposed to.. When all I wanted was to rip her clothes off and have some fun. BTW I had visited Carla earlier in the day so was hardly sex starved ...

She is clearly intelligent and well educated. Her spoken English is superb and her vocabulary extensive but she has a delightful erotic accent.

I have quite specific needs and she went along with them fully.

Once she was undressed, I love unwrapping my own presents, much fun was had, for example she loves to make eye contact at all times ensuring a most intimate and real experience... I never had a girlfriend as sexual, sensual and obliging as this, so a true Uber-girlfriend experience. UGFE..

She seemed to be enjoying herself I as I can still hear her cries of passion echoing in my ears. There was that glint of delight in her eyes which you cannot fake .. A true courtesan..

Previously I have been going through the whole extensive "menu" at Annabellas never considering re-selecting a "dish".. I might just make an exception and sample this Turkish delight again.

(BTW the administration was also superb, I has booked someone else first thing and they tested back to say she had become unavailable .. my lucky day ...)
