The Story:

I'd read several reviews of this lady. I know she used to work in Milton Keynes, so decided to visit her closer to home in West London. She is such a beautiful girl. I could have spent an hour just looking at her. But I had other things in mind. She kisses so well, and that put me in the mood for a blowjob, which was one of the best I've had recently. GFE is her thing, really, so I know I'll go back there again in the New Year if I can. Highly recommended!
