The Premises:

Nice clean comfortable rooms in popular serviced apartment building near Sloane Square. Nice big bed with overlooking mirrors on the wardrobe. Shower and bathroom clean and modern.

The Lady:

Kiki is a tall, slim girl with lovely wavy blonde hair, a perfectly shaped bum, firm stomach and pert enhanced boobs. She was friendly and warm with a cheeky smile and giggle.

The Story:

I have had my eye on Kiki for a while and found a good review for her on Punternet so decided to visit her for myself. The agency confirmed my findings and so I booked with a clothing request of stockings and suspenders. No problem I was told.

Kiki met me at the door, dressed just as I had asked and she, with her infectious smile, led me into her bedroom. There is no doubt she is as sexy as her pictures, and her bum looked magnificent in the black stockings and suspenders accompanied with a tiny g-string and high heel shoes.

We got down to business fairly quickly and Kiki gave me a very enthusiastic OWO with lots of tongue flicking and a big greedy looking grin. I lay her down on the bed and started to give her oral and she was very responsive, her clean, moist, pink pussy quivered until, I think, she reached orgasm.

We moved on to 69 and I could watch her in the mirrors greedily sucking on my hard cock. Pulling on the condom, we had very sensual and erotic sex in various positions around the bed, until I could take no more. Kiki got me to sit on the side of the bed, in front of the mirrors, and she, with her bum in the air, started to give me another of her fantastic blow jobs. There was no way of holding back and I lay back and enjoyed the moment.

After finishing I had a nice warm shower and got dressed chatting with Kiki about Christmas and her home country - she is off but will return in the new year. She is an intelligent, funny and gregarious lady and I would highly recommend her naughty and sensual GFE.
