### The Premises:

This flat in Hatfield is 1 of 7 locations within Herts and Bucks under the One2One "banner". All bookings are made through one remote and very efficient receptionist who, to suit my pseudonym of 007, has become my Moneypenny. All the ladies are said to be totally independent, simply sharing resources. There are no "maids" or other WGs present at the flats, just the lady you book to see so it does create the feel of visiting a girlfriend with "benefits". I like the set-up. The Hatfield location is blandly anonymous in one of a number of modern low rise blocks adjacent to the A1(M). It is easy to get to, plenty of on site parking, feels totally safe, its clean and the bed is good, big and firm.

### The Lady:

Cherry is a "new girl on the block" as far as One2One is concerned. She is accurately portrayed on the website, a stunning redhead, beautiful green eyes, statuesque (she seemed a couple of inches taller than the 5'6" stated, even when the shoes came off), ample yet reasonably pert breasts, a smashing tail. Said to be of French/Spanish origin, her English was excellent. Told me she recently graduated after studying tourism and had been side-lining as a WG for 6 months (a bit of research revealed 2 favourable Punternet reviews for her under another name for a well known Milton Keynes establishment).

### The Story:

Was welcomed at the door by Cherry, a lovely smile and briefly dressed in black frillies. I liked the look, sound and, subsequently, the touch and taste of Cherry. Passed paper, bathroom and disrobe for me and when I returned to bedroom only her stockings had to come off before skin met skin. I enjoy giving massage using liberal amounts of my own 007 oil and lotion mix, Cherry seemed to enjoy receiving the attentions of my hands working down from her shoulders to her toes, lingering with intent around her bum and upper thighs. Her legs relaxed and opened willingly so that my fingers could tease and moisten her fanny, the noises of appreciation got me hardening with anticipation. Turning her on to her back I again worked down from shoulders to breasts, some intense FK and nipple play and then on down to work my tongue some more within her sweet tasting fanny. Wow after a few minutes of tongue teasing in the appropriate spot her orgasm had me on the brink before her mouth got to work on my old chap!! A smashing OWO followed, lots of

eye contact, then in to 69 and more pleasurable shivers from both of us. Mack on, vigorous mish, FK, eye contact even chat...then a bit more OWO before my mini Vesuvius eruption. No clock watching on her part meant we over ran and the doorbell ringing hastened the end of great "punt". Thanks Cherry. Like MacArthur, "I will return" or even Schwarzathingy "I'll be back"
