### The Premises:

Just off London rd, close to the train station. Clean and discrete nicely tucked away from prying eyes.

### The Lady:

Nice big and busty very sexy with curves in all the right places. Nice round rear with shapely legs. In all a great package.

### The Story:

As you will probably learn from my previous post I appreciate the more bigger girls. I think they are more responsive to touches and generally give a whole lot more in the room.

Again I was not disappointed with this visit. After a very well executed massage we went on to the main action.

Absolutely amazing reverse and then finished off in the missionary. I was left with a buzz. Very good punt.
