### The Premises:

5 minutes walk from Warren Street Tube.... easy to find and discreet

### The Lady:

Stunning girl..... pretty and very curvy..... lovely boobs and ass..... Although on the website her eyes look blue.... but they are actually green

### The Story:

Within the first few seconds of meeting Karolina I new she would be top quality.....

She walked in topless, showing her big natural breasts.... I was instantly turned on..... she said she just had some chocolate and would I like to try.... so I thought why not... and we had a passionate kiss.... great kisser! This was all before we exchanged any cash.... which was a nice touch.

After that I was offered a shower, and I came back... more passionate kissing and then she moved down to my cock, with expert owo.... she is really quite good at this..... proper deep throat.... we then moved to the bed where I tasted her sweet pussy.... I could have stayed down there the whole hour.... she tasted to fresh and sweet..... but she would not let me and directed me to lay down where she continued deep throating me.... It was not long before I had a shuddering orgasm in her mouth.... she didn't swallow but went to the bathroom for a few minutes to freshen up

When she returned, we chatted for a while... she is very bubbly and easy to talk to..... it was not long however until my cock was back in her mouth... .she really loves sucking cock.... round 2 was much the same as round one.... even though I was offered anal and good fucking..... I was slightly exhausted after the first round, so finished again in her sweet mouth.....

I highly recommend Karolina, she seems to enjoy her job.... or acts like she enjoys it very much..... hence to say I would return again..... but next time I will have to penetrate her..... I felt slightly rude not to do this.... this time....
