The Premises:

Room was very clean and tidy. Customers toilet however was just and overflowing urinal and a small sink with cold water only, no soap, and nothing to dry yourself.

The Lady:

Romanian. Aged about 20. Pretty face, long dark hair. Plump curvy body with lovely big breasts. Very pleasant nature, but didn't really have any enthusiasm for the work whatsoever.

The Story:

She reluctantly let me suck her nipples for a few minutes. This was followed by oral (covered), not bad. As she had kept her legs tightly closed I asked if I could lick her pussy. She said that would be an extra £20. I declined. I then went on to fuck her but was struggling to cum so I asked if I could wank over her. She said no so I just wanked into the condom. All in all the 30min booking lasted about 20min. I usually go to TJs which is an altogether more enjoyable experience. Don't think I'll bother with Bentleys again.
