The Premises:

Well known, town centre, relaxed atmosphere and nice clean smart room.

The Lady:

Kimberly is a mid-20s curvy blonde lady with a lovely face and a ready smile. She made a good first impression with a very friendly manner that made me happy I had made a good choice.

The Story:

Talk about talking! I found it hard to stop chatting to such a friendly lady but Kimberly made sure we did keep moving on through the sexy bits with a deft line in rearranging our bodies. Started with a tender cuddle and soon kissing on her lips which are cupid shaped.

Found ways to cuddle and caress each other and then OWO was done with particularly good effect that continued in 69 position.

Still never felt pushed about but we then moved onto sex and that was great when we could still break into chat and then get back to concentrating.

This was a really interesting and satisfying half hour that we crammed a lot into around the easy conversation.

Here's to the next time.
