The Premises:

A luxury room in a hotel that is easy to find and very close to the tube station. The room was very spacious and had a huge superking bed with a comfortable seating area. I thought the venue was the perfect place to share a relaxing and enjoyable moment (of course with Cindy in the room).

The Lady:

When Cindy opened the door to her room I couldn't believe my eyes (and my luck). She already looks very hot and sexy in her photo gallery but the real thing is even better. That was my subjective description of Cindy's beauty and hotness.

Objectively speaking, Cindy has a beautiful face with mesmerising green eyes and the most beautifully-shaped and soft lips that one can ever come across. She also has a body to die for with curves in the right places. She met me dressed in a sexy red outfit coupled with high heels that made her look elegantly irresistible.

I may have described Cindy as very hot, sexy and beautiful lady; but for me her personality is on a different level! She was so welcoming and friendly during my time with her. I really loved my time with Cindy, not just because of what we did, but because of how she is as a person.

The Story:

This year I got an early Xmas present in the form of a 1 hour date with Cindy. To be brutally honest here, I didn't expect the experience to be too great as it was a free date: How wrong was I !!! Cindy exceeded all of my expectations whether it's looks, personality, or experience.

I cannot really give explicit details out of respect for Cindy. To walk into her room, chat with Cindy on the sofa, massage her sexy body, before moving to the main event, is something I can only describe as one of the greatest time of my life.

During our encounter, I lost the track of time as I was immersed in the wonder of her. I'm sure she enjoyed the date and I didn't feel she was acting out the part: simply a breath-taking and beautiful experience!

I could easily immerse myself into this adorable lady, and I am certainly intending to stay in contact

with her and hope to become one of her regulars.
