The Lady:

The description of Sam is accurate as described on the website. She is a really beautiful young girl with long blonde hair, size 8, petite, lovely enhanced yet soft 32DD boobs and really seductive blue eyes.

The Story:

This was my second visit to see Sam at Soft Touch Bodyworks. I began with having a shower in the room. Sam then came into the room wearing a massage top and an eye-catching pink bra and panty set with white polka dots on it. She was joyful and eager to please. We began with a soft and gentle massage to relax me. I then asked her if I could eat her pussy and she was happy for me to do this. I licked her pussy which tasted sweet.

She then said it was my turn so I lay down and she gave me an enthusiastic oral service which I was very pleased with, after which we had enjoyable sex in a number of positions and a shower at the end.

Overall Sam gave me a fantastic GFE which left me completely satisfied. Highly recommended and I will be returning to see her again.
