The Premises:

Summer's place is in a safe location, easy to get to and find. and is nice and clean and tidy. I was made very welcome at the door.

The Lady:

Summer is very attractive, pretty and with a lovely smile, and is an absolute delight to behold. She has a stunning body with lovely luscious lips, nice breasts with great nipples, great legs and a bottom to die for.

The Story:

I had a terrific hour with Summer which began with me giving her a good long spanking which she took very well indeed. We then switched and she gave me a good spanking which I enjoyed very much. In between all this there was much touching all parts of each others body and some very nice kissing. We then moved on to five strokes of the strap which she took very well before I gave her oral. Then more spanking and five more strokes of the strap before she gave me oral and we had sex. This all explains what happened. What it doesn't explain is that we had a really good connection and liked each other. Summer is a truly lovely and fun person to be with. I had a great time and Summer has to be one of the very best. Highly recommended and I will be back.
