### The Premises:

Smallish flat at the top of a fine terraced house: rather untidy.

### The Lady:

As per her picture on site.

### The Story:

Horrid experience. I should have realised at the start when she seemed more concerned with the lighting than anything else. Quite unlike other orientals I have visited. No offer of a hanger for my clothes &c. She was most unwilling to consider any of the services listed on her page. Others have written glowing reports on on options and asianselection
