The Premises:

Hadn't been to Silver Lady for a long, long time and although reading it had been bought out I didn't notice much difference - a friendly welcome but the same old tired interior.

The Lady:

Jenny is downright gorgeous - about 5ft 6in tall, dark hair, bubbly, friendly personality and a wonderful body.

The Story:

Quickly stripped off and got down to feasting on Jenny's wonderfully pert and responsive nipples and getting to work on her sweet-tasting and fleshy pussy. Feeling horny as hell I asked if the receptionist would join in and Jenny said 'not always' but she'd check. Must have been my lucky day as the equally sexy receptionist (who I'd noticed on arrival had tits to die for) came in, peeled off her top and bra and proceeded to help out Jenny. That was about all I could take and all too quickly filled the bag as Jenny wanked me off. What a shame I've no self-control. Would have loved to have fucked Jenny (and the very, very hot receptionist) but maybe another time ...
