The Story:

wanting a new years treat arranged an appointment with the terrific sexy maid Rianna , who texted me the address , she not only told me she would love to see me but that she might like to come and join us in the bedroom.

Place was easy to find Rianna let me in with a delicious naughty grin as we kissed on the cheeks , and she ushered me into the bedroom , she asked if i would like a drink , fetching a glass of red telling me with a sexy smile saying she wanted to watch me fuck Eliana.

Eliana joined me shortly , yum see above description, we embraced kissing on the cheeks , quickly made the arrangements , began caressing , she stuck her delicious arse in the air then grinding against my crotch , twerking Miley Cyrus style , she told me "i want to suck your cock , and then feel you fuck me hard your cock inside me"....!

She started to open my flies , commenting that it was more difficult as they were button up rather than a zip LOL , she was in the process of undoing my belt and sliding down my trousers , but i was aching to sample her striking charms , first having to unhook the back of her basque , then her bra before releasing her delicious globes . Spent several minutes with her delicious nipple between my lips , firm and pert before swithcing to the other , slid down the basque , and she was about to take down her knickers , but as always i wanted to do so revealing her sensational totally shaven pussy that I was instantly aching for.

I was desperate to go down on her , and i hurriedly removed the remainder of my clothes , she lay on her back on the bed , opening her legs wide , which i put my head between , before i started she began rubbing my clit , her petals open making herself so wet , i could see her delicious juices around her clit as she played with herself ... there was no way i could not start licking her , my tongue moved straight to my clit ..the sight of her delicious shaven pussy , the taste of her quim

awash with her feminine nectar , Eliana telling me how much she enjoyed it . After spending 10 to fifteen minutes she moved her body back shuddering, my mouth wet from her juice. When most girls climax they say they need to pause , but she said it was not that she wanted to stop but that she wanted to suck my cock...couldn't argue.

Eliana asked me if i wanted it with or without ...(the latter) ,not only did she have such a wide range of techniques; licking my shaft , my balls , taking my whole length in her mouth, but she looked at me the whole time , sometimes with a lovely smile, like one of my favourite porn stars Misty Mcaine. She also told me she enjoyed 3-somes and having sex with another girl and that she loves the other girls here...something amazing for a future treat.

Whilst she was performing such delightful fellatio , a knock came on the door and Rianna entered with a naughty grin , peeling of her top revealing a delightful shapely pair of titties in nice proportion to her athletic body . I would have loved to suck them but Rianna told me no sucking only fondling and nipples were wonderfully pert and aroused .

All this was while Eliana continued giving me an amazing blow job. Rianna told me she needed to go as there was another customer either phoning or at the door and she put her top back on nipping out.

Eliana told me she wanted me to fuck her ..again impossible to argue , and took the condom and slid it over HIM. We got into cowgirl i could feel her sopping wet pussy as she rode me up and down . A few moments later Rianna knocked on the door and re entered , again removing her top so i could have a fondle ,i inevitably climaxed blissfully unloading , Eliana continued to ride me , her pussy oozing her juices . Rianna needed to leave to again attend to another customer , Eliana dismounted , moments later removing the condom, i could see all around her pussy was wet with her juice .

The remainder of the time we both caressed and massaged each other , with lots of intimate cuddling , she is the loveliest girl , bright , friendly , articulate, , with an amazing genuine appetite for sex , with lots of proper kissing on the lips throughout , before we finally got dressed although without rush or pressure , as i was leaving the other lovely girl who had been working that day was in the lounge . Eliana kissed on the lips before Rianna and i both kissed on the cheeks and i thanked them for the fantastic New year fucking.

Not only would i recommend the lovely Eliana , but this being my first (hopefully of many) to the House of Divine and can't wait for another such amazing sexy reception.
