The Premises:

on street parking, a flat above a restaurant. shower facilities available, clean flat.

The Lady:

not too tall, probably 5ft 5/6", pretty, girl next door.

The Story:

really friendly and much better than was expecting for this price. she offered GFE without FK. was very welcoming. started with BJ, got a few fingers in, before moving on to missionary, lasted maybe 20 minutes, of doggy, missionary and her on top for a while. all in all was pretty good and despite her english not being great, (she said she was romanian), the smiles and gestures were enough to create a good atmosphere and mood.
