The Premises:

Typical hotel in Earls Court area. Room was nice and clean. Shower was clean as well, much better than in flats. The only drawback is that you have to walk close to reception

The Lady:

She is just as the pictures. Very nice boobs, slim and light. Nice ass

The Story:

That was my first time with Sasha and first time using this agency. To be honest, she surpassed all the expectations.

She received me in the corridor as this was a last minute booking, and she was out for lunch. After sorting the finances and while i took the shower, she dressed accordingly. I went out of the shower with the towel and here we started. An incredible blowjob, this girl born to suck and lick. Lot of positions before i had to finish the first round on her back.

Tried a second one but i was nervous and i did not manage to finish it.

For sure, recommended. I will be back for more!!
