The Premises:

Her Premises was clean and tidy, based in Central London close to the tube station and walking distance to her apartment, though she was moving in the coming weeks.
Overall lovely flat in Kensington.

The Lady:

Ava Green... her Name says all the secrets in her, shes the most adorable Blond. Not sure if you people out there know the meaning of Ava "Life" yes her name speaks for itself, she is a natural person, who is enjoying every moment of her life. To be honest her pitchers does not justify her looks, seriously she is much better in Real Life. Its a God gift that she has all the right assets in the right places, after all she pays off by attending gym on a daily basis.
She has a figure to die for.... But really I not going to say much about this .. Seeing is believing.

The Story:

My Experience came with class and no regrets.....

Ava was on my to do list since 2013, due to work commitments, I never got a chance to see her, but I was ready to make a new year resolution, and that was to make sure I see Ava before the year 2014 kicks off. 8th Jan 2014 Booked a date with her for a incall service for 1 hour.

Really this lady speaks for herself, she got all the right assets in all the right places, as soon as she open that front door omg, you know from the very start 1 hour with this beauty queen is not going to be enough. Ava greeting from the very start was very welcoming, and the sign of her million dollar smile, followed by a kiss on both cheeks, awesome, one thing I have learn.. Treat a women with respect and she will compliment you all day.

Ava lead me into her living room, having already poured 2 glasses of champagne ready to celebrate the start of a New Year. We talk over a glass of champagne, she has a real charm of things she wishes to do in the coming year.. and she loves traveling. She has a great sense of humour, and very cool personality inside her.. though I love a conversation myself, we really did get on so well, her eyes was sparkling and there was a sign ... DFK, her tongue is like a sweet lollipop.. she has this magical way of kissing and stroking your tongue at the same time. We keep the DFK going, I

was Rock hard and even her eyes said it all. I headed straight into the shower to freshen up while she poured more champagne, During this time she was now heading straight into the bathroom, and before, I blinked, there she was standing in her finest Lingerie, at this point I could not wait anymore for this Aussie, and tagged her straight into my arms, we teased each other while she was stroking my cock, I was stroking her pussy, Humm Baby your wet.. ha ha she said.. you fuck me now, she said in my ear ... She went straight down for my cock and gave me the ultimate BJ, oh she know how to suck a cock.. Kissing and licking my balls .. I could see she was ready to be fucked.

Ava also as this talent of moving her body very quick towards the ear, and whispering .. I want to take you into my bedroom, not only she talks dirty, but really has this way of trying to make a fantasy stay alive.. Even before we got into the Bedroom, she ask me to fuck her from behind, she also said, when you fuck me look into the mirror, there was this long tall mirror placed in the living room face against the wall, and while she was on the couch, I was pounding her firm arse, she moves like a dancer.

we was so excited with each other, it was time to head straight into the bedroom. again she teased me with my cock in her mouth, I went down kissing her lips, firm breast and worked my way into her wet pussy, she was so excited, I almost fuck her without a seat belt on lol.

We must have try all the possible position we could think of, she really show her interest in you and she love what she does, she wanted me to finish her off by coming into her mouth..

at this moment of time you know "Aussies got Talent"

Men out there, if you have a fantasy you would like to explore, than don't waste your time browsing around the web for any other escorts, other than Ava Green. Pick up the phone, and call this sweet little angel. She is 100% herself, and really I am not bluffing, she is for who she is,in every way. Ava I like to Thank you for your time. I hope to see you soon..
