### The Premises:

Very discreet place stood out side and still did not see it at first, welcomed with a drink, good private parking.

### The Lady:

Abby look just like her photos and even better in the flesh, she has a body and looks only most men could dream of being with. Abby is in her early 20s so you get that perfect body must be a size 6 or 8 with amazing big breasts. Abby is shaven and tastes amazing. I would go for the GFE experience it's £20 more but worth it as it felt more intimate. My time with Abby was amazing this was my first time with an escort and I think It will be hard to find another girl more gawjus than Abby. Abby your gawjus have a amazing body and the looks to boot. Will be back in the future. Thank you your Geek
