The Story:

Robyn is an amazing person and provides an outstanding experience. She has a nice, safe, cosy flat near to an underground station. First-rate and easy directions are given in good time; one can therefore comfortably plan one's arrangements. She is very accommodating, I was early, it was okay with her and the discussions were easy, prompt, clear and concise.

Robyn's email, texts and verbal communications are clear and pleasant. A very attractive, passionate, sensual, exciting and sociable person; lovely to spend time with. She is knowledgeable and makes conversation most enjoyable which contributes very positively to the experience. She is very respectful as she expects to be treated. All her skills are accurately as described and of excellent standard. A blow by blow account is not my style, as matters progressed as they suited us; and we are all different in how we approach what we want and need. I was relaxed, contented, felt completely free and in the hands of a truly good decent person who knew and provided what I needed as only a lovely person can.

Value for money and certainly not a clock watcher, we exceeded our time a little (my fault, I talk too much!) and it was I who moved to leave as I knew that I should not take advantage of her good nature.

I enjoyed an unforgettable experience, would certainly recommend her unreservedly and Robyn will certainly see me again when I can next afford it.
