The Story:

I've visited House of Divine a couple of times before, but never met Sabrina. I'm so glad I had an opportunity to meet her at last. During the hour I was there, it was non-stop action: first OWO, then RO, doggy (I think that's one of her favourites) and a couple of other positions. This is one of the best punts I've ever had and I've already decided to go back before the end of January, when I'm next in London. Highly recommended!
