The Premises:

Usual place in Notting Hill.

Nice flat, entrance very public which may not be to everyone's liking.

The Lady:

Very good looking girl, maybe not as skinny as pics, but not overweight and beautiful face. Lovely fake tits.

I liked her.

The Story:

Erica hasn't been here very long and is still learning the job.

She's had some less than sympathetic (and not very clean) customers, but was happy with everything I wanted.

I don't like quoting it, but "if you treat her well", she will give you a good time. She did to me anyway.
