The Premises:

Small two bedroomed cottage. Parking on street or around the corner. Entrance on a main street so wear a hat if you're well known locally!

The Lady:

Absolute stunner. Five foot five, incredibly slim and toned. Long dark curly locks. Pretty face with a smile to light you up and a naughty pout the rest of the time. Medium boobs with dark perky nips.

The Story:

This was the third time I'd met Lara and I'd promised myself I'd write a review, which I hadn't for some time, as she had rocked my world. Lara is the naughtiest and nicest girl and quite a head turner. You'd feel proud to have her meet you in a bar and over the moon if she took you back to her place!

This being our third session on greeting me Lara kissed me with soft moist lips, and tangling tongues even before any money changed hands. She's a great kisser, and it doesn't stop there...

After a shower she came into the room and joined me on the bed. After some cuddling and kissing Lara moved down to my most interested part, already standing at attention and proceeded to give the most amazing bbbj. She can take it to the hilt and intermingled her long bj strokes with spitting on my cock (a personal fave I'd told her about - so dirty!) and wanking me. Eventually I came in her mouth and she moved up to snowball me with a big grin on her face. Fabulous!

After cleaning up we still had loads of time so we started over, with me going down on her. Lara is an appreciative audience and each time we've met she has managed to come (whether it's real or not I cannot tell, but I'd like to think it was). We then switched positions and she concentrated on my cock again, getting me hard very quickly. On with the cover and then she was sitting astride me for some very athletic cowgirl action. Alas, at my age I couldn't keep going (must book an hour next time) but bless her she tried hard to get me to the edge of reason again with her hands and soft lips. I couldn't quite manage it but had a glorious time trying!

As you can probably tell, I had a great time. Treat Lara well and I'm sure you would too. I think she

does regular Mondays, but I've also seen her on a Saturday so other days might be worth a try.
