The Story:

Although pre booking was required the room was not ready, but was soon sorted out by Amira. Once everything was ready Amira came into her own and we enjoyed a very pleasurable time together with plenty of kissing, oral, ro before finishing with cowgirl, would have changed to missionary had I been able to contain myself.

After we had finished I was given rather longer than usual to get ready which left me with the feeling of being unimportant.

As I previously said I would re visit Amira but have some doubts about the venue.
