I know everyone has different ideas on the perfect woman , but Chloe for me is perfection

The Story:

I was lucky enough to have just phoned after Chloe had a cancellation ,(the poor fool) lucky for me as I do a lot of dithering ,before I choose the girl. Anyway I arrived on time and was shown in by the stunning maid ,straight into the room and was offered a drink . I jumped in the shower and as I was drying off Chloe came in ,WOW was what I was trying to say but didn't quite come out like that . Sorted out the paperwork and we started kissing (very nice) then Chloe suggests moving on to the bed , where more kissing and then onto owo which is also very good . We then changed to a 69 ,she said thank you after I made her cum (well if I didn't she deserves a golden globe) mind you she already has two off those stuffed in her bra .

On with the condom , with Chloe on top riding me (beautiful sight looking down at me) after a while we changed to owo again to finish me off , Chloe handled the clean up very well , she lay down on the bed again for a cuddle and a chat, we talked about her working at Imp and I was thinking about going back there , but I don't think I would want to share her, I think for the foreseeable future I will be visiting Chloe exclusively .

Although I'm not a seasoned pro when it comes to punting , I had such an enjoyable time with Chloe , I felt the need to write my first review and tell you all she is truly amazing and I recommend her 100%
