The Lady:

My first choice was unavailable so I asked for the agency to recommend an alternative.

Very pretty girl from Moldova, early/mid 20's and superb slim figure that's just the right balance between not-too-skinny and not-too-big. Long blonde hair and lovely smooth skin.

The Story:

Found the address easily enough. The front door opens straight into main living area where her other housemates were watching tv etc and was taken upstairs to Selena's very nice clean and spacious room. Used her ensuite shower to freshen up.

Selena was a little shy on arrival and conversation was slow initially. She did also keep checking her phone a few times during the hour which is a bit of a pet hate of mine but she wasn't doing it excessively.

She offered a massage which was very good, before getting on with the action. Excellent BJ (covered) followed by various positions and she was really superb and responsive, offering plenty of encouragement and giving the impression that she genuinely enjoys this part of the job!

Did not attempt a 2nd round but I reckon she would have been happy to oblige if requested. Afterwards, the conversation was a lot better and Selena was much more chatty. Not sure she will be around for the long-haul though, so would recommend seeing her while you can.
