The Premises:

One of the usual MK flats that Annabella's uses. Shower facilities adequate but not great.

The Lady:

As per her website pictures pretty much - good body, nice bum and a nice big firm pair of tits

The Story:

From start to finish Carla was all action - full on kissing, rubbing my crotch with her derriere, OWO, RO, fingering - anything goes with Carla pretty much, she definitely aims to please and I can see why she has so many positive reviews. It's well established that she's an older lady, very much a MILF - but that just means she knows she has to provide a top class service to compete with the younger girls, and she does that and then some. I got the full half hour from Carla with time to shower before and after so I was well pleased.
