The Premises:

Karina lives in a very nice house (so no security phone entry system as you'd find with flats) in a remarkably quiet side street just 5 minutes from Hyde Park Corner tube. The house was clean, warm, comfortable. Shower and towels available and offered before and after. A perfect location - must cost her an absolute fortune!

The Lady:

I've commented before about the 'accuracy' of some of the photos used on agency websites. No worries here. I was met at the door by the girl in the photos and she was exactly as I'd expected. The photos she's using are clearly very recent indeed. She's medium height, fabulous figure, long brown hair and a very pretty face. I doubt anyone would be disappointed. She looked sensational in the 'little black dress' and heels when she met me and she looked every bit as wonderful later, without them! The moment I set eyes on this Italian beauty I knew this was going to be something really good.

The Story:

I was greeted at the door with a kiss (always a good sign) and was led upstairs. I asked to use the shower and was provided with a clean towel. Once the paperwork was out of the way the encounter began. So far, for me, the very best escort experiences have started with the lady fully clothed. I find the whole kissing/caressing/undressing part of the meeting intensely arousing. The sight of that body appearing as the little black dress came off had me rock solid before we got near the bed. Karina is very tactile and enjoys kissing and caressing. She made it very clear (indeed was quite insistent) that she should be pleased first. A lengthy oral session followed which she certainly seemed to thoroughly enjoy. Then it was my turn. Now, here's the only possible criticism I could make. Karina's profile at the time clearly stated OWO was available, and I even checked that with the agency. It wasn't. Nor will it be for anyone on a first visit, apparently. Still, the covered oral was excellent. She has the knack.... Soft, slow and sensual and completely without resorting to using hands... just wonderful. I followed with a lovely slow, steady mish. At 56 years old, slow is always better, as far as I'm concerned. Whilst batteries recharged we chatted. Karina's English is good enough for a decent conversation. After, more covered oral to start round two then a really great cowgirl. This girl has a great body and really know how to use it. She gives every impression that she loves her work and I was delighted with the entire experience. This is how it should be. Lovely

girl, great kissing, great sex, bags of enthusiasm... no clock watching, no interruptions from phones..... This was certainly right up there with the very best experiences I've had to date.
