The Premises:

A very pleasant flat, 2 minutes from the tube. It is very safe and with the ASDA there nobody pays any attention to anyone.

The Lady:

A tall blond with a fit body, flat stomach and great breasts. Lucy is Hungarian and her English is excellent. She is very good lucking with legs that stretch to heaven.

The Story:

In a tight dress and white knickers Lucy greeted me warmly. She explained, kindly, vanilla sex and slowly at first is best for her. She charges £20 for CIM i should have paid and will when I return. The slow start stroking and kissing-not on the mouth, had me going. Off with the dress and lying on the bed with Lucy sucking my cock, massaging my ball and stroking me. I had arrived in heaven. I now wanted to explore heaven and the 69 went on and on. Lucy tastes great and responds to a tongue deep in her cunt. Lucy will chat and so time flew. The condom on and riding her missionary, she riding me cow girl and the tight walls of her pussy exercising my prick. I would have organised this differently if I had realised that Lucy could make me cum twice in the hour now my time was gone and so off with the johnny I face fucked her and emptied my balls on her perfect tits. I then licked them clean. This was a good experience with a very sexy woman. I will return.
