The Premises:

A comfortable flat in a quiet neighbourhood, very discrete and with good parking

The Lady:

Charlotte's in her late 20s, very attractive with a fabulous busty and curvaceous body which she keeps nicely toned by regular trips to the gym. The photos on her website don't really do her justice - she's even more lovely in real life! She is an intelligent lady, with a very no nonsense, down to earth personality and extremely warm and friendly. She also has a wicked sense of humour! She is very welcoming and offers refreshments on arrival.

The Story:

Charlotte really enjoys her work, which was very much evident during my time with her. She always maintains eye contact whilst she performs her fabulous, out-of-this world oral skills! She loves kisses and cuddles as an introduction to the main course! Charlotte is an attentive and passionate lover and I would certainly recommend her. Treat her well and with respect and you'll have the time of your life
