The Premises:

A flat in respectable area 5 mins from City Centre. Always felt quite safe there. Ample free parking.

The Lady:

Angelika is in her mid-twenties, slim, attractive and with a beautiful body, no tattoos or piercings, natural breasts with nipples which are crying out for attention.

The Story:

I have visited Angelika several times, and every time I have left with a smile on my face. She offers an excellent GFE with oral both ways. Angelika is not a clockwatcher but brings the session to a climax within the allotted time. She is definitely one of the best escorts I have met.
