### The Premises:

Suzanne works out of a tastefully decorated flat in a safe and discreet area of Chelsea. The shower was clean enough, the bed was spotless with freshly washed sheets. It's a relaxing atmosphere.

### The Lady:

Suzanne is a very attractive blonde lady as per the photos. Suzanne's body is a beauty with big naturals, a nice perky tush and a toned physique. She is very friendly and speaks perfect English, although she is from Poland.

I thought she looked a little bit older than her stated age. She is actually quite beautiful though.

### The Story:

Suzanne welcomed me in and we got the money out of the way in an easy manner, then some GFE kissing and she suggested I take a shower (I was a bit sweaty as I had got lost on the Tube and had to run to her flat). When I came back she was dressed in the black underwear I had requested she wear. We kissed again and let me get my hands on her boobs, and she removed my towel and gave me a BBBJ to CIM. We lay and cuddled then I got hard again and this time we had sex (covered) and then moved to 69. She tasted really clean and she fisted my cock until I came in her mouth again. By this time we were running over time, but she did not rush to get me out of the house. Suzanne is a lovely girl, treat her well.
