The Premises:

Very well done. Showers immaculate. Rooms well furnished and laid out.

The Lady:

Lauren _ lovely, slim, young, nice eyes. Sara - same but blonde not black hair. Both well spoken, at ease with the whole scene.

The Story:

Fantastic session. 1st time in London Retreat. Spent a lot of time with blindfold on, so not sure who was doing what but the girls were well up to role play with Oscar winning potential. Usual London Retreat stuff. Can't complain about any aspect, only praise. They were generous with their time. Saving up for a return visit. Good cop bad cop. Need I say more...And at the end we'd a nice chat and a laugh. After all, it was only play...a game...actors in roles.
