Gorgeous eastern European lady with gorgeous tits and an average face

The Story:

From her pictures Janina looks hot and sexy, like a lady who enjoys having fun. In real life she is anything but. I arrived at her apartment and was greeted with a pissed off looking Janina who without a smile or any kind of warmth told me to come in. I should have picked up on her vibe there and then but I gave her the benefit of the doubt and thought she might warm up. I handed her the money and straight away she placed a towel in my hands and told me to go shower. I did and on return found Janina texting on her bed. So I sat down next to her and started to feel her body. I was told to wait while she finished texting. When she finally put the phone down she immediately started to wank my cock. I tried to kiss her but this was met with lukewarm pecks. So instead I asked her to remove her dress and started to play with her boobs. They are gorgeous as is her whole body, beautiful pert breasts with erect nipples. I started to lick on one nipple while playing with the other. She pushed my head away and told me to be gentle. As far as I was aware I was being very gentle but ok so I tried again this time with barely any pressure. I then asked her to lay back on the bed and removed her thong so I could lick her pussy. She tasted so good and seemed to be getting into it with lots of moaning and I could feel her getting wet. I started to use my fingers as well but was told no fingers so I carried on with my tongue, she particularly enjoys having her clit played with, until that is she told me she doesn't like to cum with clients. I mean seriously! So I decided to fuck her instead and it was on with the condom and her bent over the bed. Her pussy feels gorgeous to fuck and I finished inside her

All in all a gorgeous girl but what a waste. Don't see this girl unless you want to waste your money
